

JULY 2021

THE LONDON TEXTILE FAIR

*JULY 2021 EDITION
SHOW REPORT*

The first live show after the pandemic

The London Textile Fair was held on the 13th and 14th of July at the Business Design Centre and was the first live event since January 2020. For many it was the first trade show presence after the pandemic and the enthusiasm was tangible within the walls of the Business Design Centre.

We were delighted to finally meet our regular exhibitors and their agents who were waiting for this event for long time.

The show was well received by the British fashion industry with around 1500 visitors in two days. Among our buyers were: **Next, John Lewis, Burberry, Marks and Spencer, Asos, Ted Baker, River Island, Superdry, Oliver Bonas, Coast, AllSaints, Reiss, Oasis, Hobbs and many more...**

Around 130 Exhibitors...

With around 130 exhibitors, TLTF showcased a wide overview of the European textile offer, with exhibitors from Italy, France, UK, Portugal, Spain, Turkey and more. The participation and support of the UK agents has been crucial during this edition as they made the participation possible for many exhibitors who couldn't travel to the UK because of the travel bans.

We are now already moving forward, with 2 exhibitions already planned for the upcoming months: TLTF Autumn Edition (19/20 October 2021) and TLTF (11/12 January 2022), both held at the Business Design Centre.

A big thank you to all our exhibitors, agents and visitors who have attended TLTF July edition..
