IMPORTANT TRAVEL UPDATES

The UK Government has made **important changes to the international travel** system and requirements. The statements reads: "From 4am Monday 4 October 2021, the rules for international travel to England will change from the red, amber, green traffic light system to a single red list of countries and simplified travel measures for arrivals from the rest of the world. The rules for travel from countries and territories not on the red list will depend on your vaccination status." This changes will allow many of our exhibitors and visitors to travel to London from abroad and safely attend **TLTF Mid-Season Edition** to be held on the **19th and 20th of October**. Among these Countries are: Italy, Spain, Portugal, France, Germany and other EU Countries...
